

FRANCESCO LIGUORI

Web developer

ABOUT ME

I am a highly motivated student, always trying to get better, learn new things, and push my limits. In my free time I enjoy working out and practicing sports and playing videogames with my friends.

PROJECTS

INFORMATICA X GIOCO: making a game

01/10/2024 - 31/03/2025

In 2025 I have participated in a **national competition** of who made the best game. The **groups** were made of 4 or 5 people and the deadline was **six months**. My team and I worked with the game engine **Unity** to make our **2D game**. That experience helped me developed strong teamwork, responsibility, and time management.

HONOURS AND AWARDS

Scholarship

2021 by Carel Industries

From **2019** to **2021**, at the end of every school year, **Carel Industries** offered **scholarships** for every candidate that had at least **7.5** average grade at school. I managed to pass the requirements three times in a row totaling **600 Euros**.

VOLUNTEERING

Waiter

20/06/2025 - 22/06/2025, Pianiga

During June and on several other occasions, I have worked as a **waiter** at **local country festivals**. My main duty was to **serving food** to the guests but I could have **set or cleared the tables** if needed.

These experiences helped me sharpening my **communication** and **teamwork skills**.

HOBBIES AND INTERESTS

SPORT

I like doing some **physical activities** at least two times a week to get rid of **stress**, maintain **fitness** and spend some time with my friends.

REPAIRING THINGS

In my spare time, I like trying to **repair things**, from bicycles to PCs, demonstrating a persistent and **hands-on** approach to **problem-solving**.
